

The Company provides a variety of appealing Bonus programs to its latest and existing Clients, who have initiated their trading account. Bonuses and/or Promotions and/or financial awards (“Bonuses”) presented to Clients are features of the Company’s Promotions program. These Bonuses are limited time offers and their conditions can be subjected to amendments upon written request given to Clients upon modifications to important sections of the conditions arrangement. Before accepting any Bonus proposals, Clients will get the chance to consider the terms & conditions associated with each Bonus scheme to fully comprehend how the scheme works (including its T&C) and offer their approval regarding the acceptance of any potential modifications. The Clients do not have to accept any Bonuses offered by the Company; all Bonuses are voluntary. If the Clients will choose not to accept a Bonus, under these circumstances, the Clients will not be bound to the terms & conditions relating to that Bonus. By accepting the offered Bonuses, the Clients will be bound by the guidelines, provisions and terms of the Bonus programs, only if they have fully understood and agreed to the terms and conditions of this agreement. Promotions and Bonuses may come occasionally alongside a volume or trader point requirement, given that requirements vary depending on Bonus and Deposit amounts. The various Bonus Promotions and programs are offered at random events and will be included into the clients account in the following way:

1. **Pending Bonus:** Pending Bonus will be included to the trade account balance exclusively after the required trading points have been accumulated. As the company does not wish to restrict a trader’s account, up until the requirement has been met, Bonuses will be kept separate from the trader’s initial funds. Because the Bonus is separated from the trader’s original funds, the trader could withdraw their funds whenever, in conformity with traditional withdrawal terms. Keep in mind that every Bonus has its own conditions for trader points and termination. For additional details, see the Bonus Report.
2. **1 Trade on Us:** 1 trade on us is a reward granted to eligible investors. It functions in accordance with the simple principle: your account manager familiarizes you with the guaranteed 1 trade on us Bonus, which works in the event the first closed trade, of which was allocated after the original (or relevant) deposit, wasn’t helpful. If the first closed trade, that was allocated after the original (or relevant) deposit, is successful, then the 1 trade on us is invalid. This Bonus terminates in ten days (including weekends) after the initial (or relevant) deposit. If the trader becomes eligible for the 1 trade on us, it will be added to their account upon request, or in some cases within 14 business days.
3. **Birthday Bonus** The Bonus is offered as a daily e-mail to those clients, who maintain a real and verified account, on the day of their birthday and for the period of seven (7) days from the day of their birthday.
 1. Clients who deposit the minimum amount of \$/€/£ 250 receive:
 - I. 20% trade on us
 - II. 50% discount on account types
 2. New clients: 200% Welcome Bonus (pending) on first deposit. The bonus is added to the trading account and can be withdrawn only when appropriate trader points have been acquired. If the client had an active bonus before accepting the new bonus, the trading points for each bonus will have to be completed before any of them can be released.

All of the Company’s additions to the Bonus terms are final.

The Clients are with this invited to utilize the Company's Bonus in a fair and justified way, per the terms and conditions of said agreement. The Company can cancel and even terminate the trader's account if it presumes any type of wrong doing or abuse of the Bonus by the trader, that include reasons as listed in section 23.

The company can single-mindedly decide upon whether clients have misused and/or manipulated its platform and/or its Bonuses.

All of the Bonuses and favoring advantages must be used in conformity with the offer's restricted time period.

In the case of misuse and/or abuse of the Bonus terms, the said Company is allowed to annul the Bonus. Should this be the case, the company's decisions shall be final. Any change within the Bonus terms and conditions is reserved to be revoked solely by the company, and later displayed on its website.

The consent to the receiving of the Bonus, its terms and conditions, and its inclusion to the trader's account tie the trader to the said Bonus's terms and conditions here and henceforth.
